U.S. Patent & TM Office/TM Mail Rept Dt. #34

Opposer, Adeptis, Inc., has explicitly consented to this amendment through its counsel of record, as evidenced by the attached email correspondence from David Johanson dated December 7, 2007.

As this amendment merely provides greater specificity of the services claimed in the registration application, it does not broaden the description of services. Hence, this amendment should not require republication.

Date: December 11, 2007

Respectfully submitted,
